

# Reimagining PREACHING *conference*

A practical, skills-based conference equipping clergy, church staff, & lay leaders to bring the Word to life in Cascadia

- Efficient Sermon Preparation
- Tending to your own soul-preaching as spiritual practice
- Storytelling: incorporating your own stories appropriately in sermons
- Innovative sermons and services
- Culturally Intelligent Preaching
- Preaching for political discipleship in divisive times
- Equipping lay preachers: co-preaching demonstration & best practices

## Timely Topics for Liberative Preaching
